

A Season of Gratitude

As 2022 winds down, I just want to take this opportunity to say Thank You to everyone - friends, families, caregivers, clients, and donors—everyone who helped make this a memorable year. Amazingly, Live Oak has been open for a whole year post Covid and we have served 90 families, caregivers and clients, in person and online.

Our families are grateful!

“Before attending Live Oak, my mom was very lonely, often home alone. She slept most of the day with little activity. Attending Live Oak has made a significant difference. She is more alert, active and really looks forward to attending. The program has also made a great impact in my life. Having her attend Live Oak allows me to work part time. I am at ease knowing she is safe.

“My father wakes up each morning and says “It’s a Live Oak day, right?” and on the weekend is always disappointed that he can’t go. He looks forward to have a place to go that not only gives him socialization, but gives him a purpose in life.”

We are grateful to our supporters!

Thank you to all our state, county, and municipal funders, our private foundation funders, and to all of our friends and families, who have supported us emotionally and financially this year!

With your help, we have been able to open three centers
With your help, we have been able to keep offering the online version of our program
With your help, we have been able to hire more employees
With your help, we are planning to re-open our Los Gatos Center

We wish you all a Wonderful Holiday and hope for a Happy New Year!
